

EXPERIENCE GIS IN TENNESSEE

Experience GIS in Tennessee is a FREE 1-day training class sponsored by [TNGIC](#) and taught by local instructors from various agencies in Tennessee that have extensive experience using Tennessee spatial data. The curriculum was developed for the beginner/intermediate GIS user. Attendees will perform hands-on exercises to demonstrate intermediate level geo-processing, spatial analysis and layout creation/design.

The 1-day agenda includes topics such as:

- Software overview
- Geodatabase fundamentals
- Where to Start – Base Layers
- Spatial Transformations
- Data Creation and Editing
- Spatial Data Processing
- Metadata Creation
- Cartographic Design
- Tips and Tricks

Instructors:

Jason Duke and Kurt Snider – U.S. Fish and Wildlife Service
Katharine Bennett GISP – Erwin Utilities
Russ Davis GISP – Landmark GIS
David Light GISP – Eastman Chemical
Tim Prather – UT Extension Specialist
Jessica Swinney GISP – Wise County GIS
Randal Hale – North River Geographic Systems, Inc
Jake White – City of Kingsport GIS
